

Welcome to the Victoria State Rose Garden

Please enjoy your visit

There are over 5000 roses for you to enjoy

Admission to the Rose Garden is free. All donations assist with rose replacement and reprinting this leaflet.

This garden is proudly managed by Parks Victoria (enquiries 9741 2444); assisted by a large group of volunteers who are responsible for the care and maintenance of the roses such as pruning, dead-heading, weeding of the beds and other tasks required to keep the rose garden looking its best

A Brief history of the garden:

1976: the concept of a State rose garden was conceived. After much hard work by members of the National Rose Society, Mr James Priestly in particular.

1986 Thee Tudor Rose section garden was officially opened on 9 November.

1997: Planting of the Heritage rose border began and was completed in 2000. These beds give Victoria one of the best collections of Heritage roses in Australia. (Please see the separate leaflet regarding this section).

2000: A grant was received from the Centenary of Federation to develop and plant a stylised leaf containing 50 beds of roses bred by Australians.

2001: A donation from David Austin Roses enabled the planting out of a perfumed garden of 60 David Austin (or English) roses in the shape of a Rosebud.

2003: Winner of the "Garden of Excellence" award from the World Federation of Rose Societies.
